Teacher Training is starting Oct 5th/6th. Bir will keep the teaching team updated weekly on registration.

Sacred Geometry event to be scheduled early November, possibly Nov. 9th or 10th. To take place most likely at the facilitator's home.

Yogi Roots will have their festival Nov. 16th. Was KYPDX invited to participate? It is not clear. We would like to have a stronger connection with YogiRoots.

January's event will be a meditation and White Tantric Yoga meeting at Har Dev's.

April 19th White Tantric at the Convention Center. \$140 early registration. Paypal is set up to take your payment on kypdx.org

Guru Nam will have a concert at Mandala Studio sometime in May.

New Business:

We have several community members asking to join the panj. They will be sent copies of the by-laws and if they then still want to be on the board, the paying community members will vote. It is agreed that we would welcome both proposed members and have both work on event planning.

Next meeting is Sunday Oct 20th, and November's the 10th if members agree to that date.
